*Hello Earth!* is a search and find book. We follow six people on Earth for 16 hours. The reader can also find a lot of other things that happen or change from one hour to the next. For example, the small red car that's always going the wrong way, or the giraffe that's eating nearly all the leaves on the tree, and the lady who's knitting a really long scarf; all these can be found in the book.

The pictures are alive with details, and this is a book that you can read over and over again and still find something new. This is a lovely picture book for both children and adults.

#### Other titles in the series are:

*Hello City!* (2010)  
*Hello Crayon!* (2011)  
*Hello Planet!* (2012)

'Anna Fiske gives us a children's book that makes us think in a circle (...) *Hello Earth!* is simply ingenious as well as original.'

Oppland Areiderblad

'This is the kind of book that both children and adults enjoy reading. Children are often better than adults at finding the tiny details and this book is a treasure trove of details. (...) Anna Fiske's world is filled with humorous characters and surprises, and the drawings are extremely charming.'
