Bella is a pretty cut-out paper doll. She is pleased with herself and looks at the pile of leftover paper left by the scissors. Suddenly noisy and dynamic Leftover-Ella appears from the scraps. At first, Bella doesn't like her. But after they help each other escape from the scary scissors, they become the best of friends. This is a picture book about the duality of friendship/hostility, creation/destruction and initiative/passivity.

'A bomb of inspiration
for the youngest readers'
Dagbladet

'An original picture book
about discoveries,
creativity and
storytelling. ... *Leftover-
Ella* uses in a very good
way the opportunities
text and image have to
complement each other,
this is one of reason why
this is a such successful
debut work. ... The text
also has obvious poetic
qualites.'
