Everything that is suddenly a secret.
This summer Hanna realises that she is lagging behind in just about everything: hobbies, friends, her body, boys, EVERYTHING. Through various experiences, encounters and discoveries Winsnes portrays the transition from child to teenager with a great deal of humour and seriousness. Winsnes' illustrations follow the lense of a camera – she has the unique ability of telling a story with images. Beautiful, humorous and sensitive story about secrets. *Shhh* is a graphic novel for YA readers that stays with you.
