"I want out of this book!"

Fun, slightly absurd and playful picture book!

The main character thinks the book he's in is boring. He wants out! He wants to be in an exciting book. One with colors. He eventually manages to escape from this boring book, but then he feels totally out of place. He wants back in again! He then discovers all the fun he can have using his imagination and creativity. Suddenly it's fun to be in this book!

Vegard Markhus (b. 1983) is an author, illustrator and teacher. He made his debut with the illustrated book *Redd (Afraid)* in 2008. He was awarded The Norwegian Children and YA Literary Prize 2010 for his picture book *Timothy mister seg sjølv (Timothy loses himself)*.
