# The Vamp Family. The Mystery of the Long-Necked Vampire Victim

## Familien Vamp. Mysteriet med det langhalsede vampyrofferet

Genre: Children and Young Adults  
Category: Novel - Vol. i in a series  
Publisher: Papermoon 出版社  
Year: 2022 年  
Pages: 78 页  
ISBN: 9788293897095  
English sample translation available

The peaceful little town of Hayfield is haunted by some strange and sinister attacks. The victims are found with bite marks on their necks. Yes, that's right – just like the marks vampires make!

Now it so happens that a family of genuine vampires lives in this particular little town – they keep it a secret, of course. Vera Vamp goes to school like any other kid. She wants to be just like the rest of the girls, a perfectly ordinary girl. There's only one problem: the Vamp Family is anything but ordinary. What's more, Halloween will soon be here – and the class party. What could possibly go wrong?

*The Mystery of the Long-Necked Vampire Victim* is the first book in a series about Vera Vamp and her complicated, unpredictable family. The second book will be published in September 2022.

Illustrated by Victoria H. Hamre.
