How do you keep a positive head in a crisis?

What can you do to keep everyone happy?

What's right?

What's wrong?

What are we really up to?

Philosophy affects us all. Philosophy is what we use when we repair a motorbike, go jogging, play football or bake a cake. In this book, we meet 18 prominent philosophers from Thales to Arne Næss. Our story starts with a father and his three teenagers, their day-to-day routines and conversations and 18 incredible cakes.
