I shall tell you

Du skal vita alt

Genre: Children And Young Adults
Category: Novel
Year: 2009
Pages: 130

I Shall Tell You is sequel to *Eg er på veg* (I'm Pregnant), which is about Donna on holiday in Majorca. There she meets José and becomes pregnant. In I Shall Tell You Donna has decided to keep the baby and has a daughter now. But she hasn't told anyone who the father of little Josephine is. Then she gets a holiday invitation to Majorca, the same place where she met José the previous year. Will she meet him again? If she does, should she tell him that the little girl is his? Donna's memories are intense.

You can read more about Donna and her friends in *Stjerna over Bergen* (The Stars over Bergen, 1992) and *Donna Q* (1995) by the same author who has written several books for children and adults.
