ISBN: 9788202741891

The seven coolest dinosaurs collected in one book! Read about Stegosaurus, Triceratops, Brontosaurus, Velociraptor – and of course Tyrannosaurus rex. Colourful, detailed and accurate – in this book you can see what the dinosaurs looked like both on the outside and inside. Line Halsnes takes the youngest dinosaur experts very seriously and offers tonnes of cool dinosaur facts in a way that both satisfies the reader's curiosity and teaches them something new.

Line Halsnes (1981–) is an award-winning illustrator, author and storyteller, trained in illustration at the Norwich School of Art and Design. She is a partner in the working collective Kobolt Design. She made her debut as children's book illustrator in 2010 *The Boat Between the Stars*, and has since illustrated and written multiple books. Halsnes has a particular interest in anatomy, machines and vehicles, which has manifested in her critically acclaimed Cool-series. For *Cool Machines* she was awarded The Norwegian Culture Department's Non-fiction Prize in 2021, and it was nominated to the Brage Prize.
