Charming new small book series.

Unni and Gunni are two good friends who like change. They are not frightened of starting new projects, and always manage to find solutions to the challenges they face.

This series about Unni and Gunni comprises three separate books, which together also make up a longer story. We follow the world's sweetest penguin pair on their adventures, which include painting their igloo and decorating and furnishing their new home. Through the different stories, young children 2 years of age and older can learn about the tools and equipment needed for the various tasks. They can also learn new words and get an introduction to colour theory. But most of all, they will gain two new friends for life: Unni and Gunni, our new dynamic duo.

The simple text, with its set expressions and use of repetition, reads almost like rhymes, which children will quickly pick up and love. And the illustrations are so humorous and expressive that they will appeal to young and old alike.

Titles in the series:

Unni and Gunni Go Travelling / Unni og Gunni reiser
Unni and Gunni Do Some Painting / Unni og Gunni malar
Unni and Gunni Make Their Home Nice / Unni og Gunni gjer det fint
