'Hello, I've discovered a hole in my apartment ... it moves around ... yes ... if you could come and look at it ... bring it down to you, you say ... how ... hello!'

The protagonist has discovered a hole and tries to find an explanation. He seeks expert advice. But not everything can be explained. Perhaps he will just have to accept that it's there.

The Hole has simple, expressive drawings by pen and computer. The hole is punched right through the book, so it exists in real life.
