CHILDREN AND YOUNG ADULTS
YOUNG ADULT NOVEL

Dick has decided to set an unbreakable record: He is going to be the most negative person ever. It's a revolutionary idea. It's brilliant. And it is incredibly hard to follow through.

Primitive Possums is a book about great ideas, meetings that won't take place and a party that goes down in history. You'll split your sides laughing, perhaps shed a tear or two and maybe even grow a little wiser. Meet Dick, Jønna and Vilde – and experience a few days that almost change the course of humanity.

Primitive Possums is an original and hysterically funny novel for young adults, from one of our best children's book authors.
