128 Pages

Thomas and Miriam visit a travelling amusement park in the neighbourhood to seek out the fortune teller. The scrawny, old woman predicts for the two children what is going to happen the coming days. Some of the upcoming events are horrifying, Thomas and Miriam try to forget the whole incident with the fortune teller, but soon the events of the prophecy start to happen: Miriam falls from a ladder, a bird dies, everything the woman foretold is fulfilled. The last of her prophecies is that Thomas will be buried alive. Thomas and Miriam do all they can to change fate – before it's too late.

Terrifying Prophecy is a colourful and dramatic tale with surprising twists.
