### Munch. A Biography *Munch. En biografi*

Gyldendal 2004  
607 Pages

**NON-FICTION  
BIOGRAPHY**

Atle Næss (born 1949) has written a series of critically appraised books.

He has studied English, Norwegian and linguistics and has a cand.philol. degree from the University of Oslo. Before becoming a full-time writer, he worked as a teacher. His first book, the novel *Gun*, was published in 1975. He often bases his work on historical sources.

In 2001 he was awarded the Brage Prize for his biography of Galileo Galilei.
