English translation available

The three Billy Goats Gruff are on their way to the meadow, as usual, to eat the green grass. But along the road they find a New sign: Water Park – 200 meters. The Gruff brothers think this sounds tempting. And maybe they won't have to face the troll that is always waiting under the bridge to scare them every time they head for the hills to buy waffles.

The water park is exciting, especially the long slide. But then the troll shows up...

Illustrated by Gry Moursund.

With 450,000 books in print, the series about The Three Billy Goats Gruff (with three titles as of March 2019), has become one of the greatest Norwegian picture book successes ever.
