All girls have dreams: what if you could become anything you dreamed of?
The4 is about four normal, but completely different, girls who live extraordinary lives online. Bea, Lilly, Stine and Julie. They are all 16 and attend high school. Hiding behind their blogger identities they are able to handle problems nobody else dares to mess with.

The4 is a story about four anti-heroes that recreate themselves as heroes.
By living the fantastic - yet also dangerous - double identity, the four girls learn more and more about who they really are.

All books in *The4*-series may be read independently, as each book includes one solved case.
