Did you know that everyone has his or her own body? And that each one of those bodies has a backside? Well, you'll definitely know that after reading this book. In addition to the fronts and backs of bodies, you can read about hair, skin, digestion, hygiene and much more.

*Everyone has a backside* is a little book from a big name. This is a book packed with facts and surprises that provoke thought, speculation and raise awareness around the theme of the human body through skilful use of humour and intimacy.

"Anna Fiske hits the spot once more with the picture book *Everyone has a backside*. (...) an incredibly rich book with a wealth of content that will contribute to both reflection and awareness. It is also very funny, not least due to Fiske's illustrations. Here she is at her best."

Hamar Arbeiderblad

"May inspire young children to explore and talk about respect for their own and others' bodies as well as body sounds, shapes and colours."
