The Million Kroner Kindness Competition *Snillionen*

English and German sample translation available

One perfectly ordinary day, Frank and Mom win the lottery. And then there aren't any more ordinary days. Everyone in the village is after the twenty-four million. And Mom makes it worse by promising money to whomever is nicest. Frank and Mom flee to southern Europe. How long can they keep their heads in the sand? Who will win the competition? And does it really mean that Frank won't get a single cent? *The Million Kroner Kindness Competition* is a humorous story about how difficult it is to be incredibly rich – and at the same time a good person.
