Genre: Fiction  
Category: Novel  
Publisher: Forlaget Oktober

- 1985: Filip is 15. He spends his time playing football and listening to Bryan Ferry on his Walkman, but above all, he dedicates his life to drawing, constantly trying to draw a line that feels true. The family share their large house with Filip's grandparents. There is an apple tree close to the fence that drops its fruits into the neighbouring garden, feeding the never-ending strife between Filip's grandfather, Arnstein, and Arnstein's brother, Truls. It has been a long time since the brothers last spoke, but the apples aren't really the core of their conflict. There's something else at play, something buried deep beneath the silence.

- 1913: While Europe is in turmoil, Arnstein and Truls' Danish-German father ('The Kaiser') sends his sons out into the forest for the summer to toughen up. The brothers share the forest with a group of travellers and Forest Finns, log drivers and charcoal burners, but they quickly decide that they are the true rulers. The nights are cold and they're torn by hunger, but the princes of Pauper's Pond are as close as ever – spending the time fishing, gathering and hunting together in the large forest. But, back home in the large family house, the Kaiser is worried about their older brother, Totem, who is not quite of this world. One day, he decides that Arnstein and Truls will take Totem with them.

*The Princes of Pauper's Pond* is a colourful, wondrous novel about brothers being there for each other through thick and thin, about finding happiness out in the open landscape, and faithfully preserving your unhappiness.

*The Knife in the Fire* is a riveting historical novel about work and love, strong communities, and carefree erotica, the individual and the community.

The year is 1859. Brita Caisa Seipajævi straps on her skis and takes the long road from Finland to Norway with her two children. Brita Caisa has been disciplined by the church for having an affair with a married man. She can heal animals and humans. The destination for their journey is Bugøynes, where the sea is said to be brimming with cod.

*The Knife in the Fire* is the first title in the *Ruijan rannalla/Songs from the Arctic Ocean* trilogy, about Finnish Kvens and the landscape they live in. Brita Caisa was the great-great-grandmother of author Ingeborg Arvola. Arvola's writing evokes the smell of blood after slaughtering reindeer, the taste of cloudberry, the feeling of coldness from the snow and heat from the fire.

Winner of the 2022 Brage Prize and the 2022 Norwegian Booksellers' Prize  
Nominated for the 2023 Nordic Council Literature Prize, the 2022 Critic's Award, and the 2022 Youth Critic's Award

'A magnificent epic tale by Ingeborg Arvola. A fascinating and riveting read, with an ending promising for a future continuation. And yes, the publisher promises that there will be a trilogy.'

VG, 6 out of 6 stars

'A dramatic, poetic and steamy novel sets the bar high (...) It's been long since bodies and desire have been portrayed so nakedly and simply put, sexy, in a Norwegian book! A sensuous, realistic and very poetic novel.'

# The Unworthy

## De uverdige

Genre: Fiction

ISBN: 9788202774325

In Roy Jacobsen's latest novel, *The Unworthy*, we follow a gang of boys and girls from an apartment building on the eastside of Oslo during the WWII German occupation. They live in poverty, but get by creatively swindling, stealing like magpies, falsifying documents and committing extensive burglaries. They don't shy away from exploiting the Enemy, either. With this pack of children, a lauded writer has rendered a brutally frank and warm portrait of a time, a place and an everyday life that thus far have been absent from the stories told of WWII. This is a Roy Jacobsen novel of best mark.

*The Unworthy* is wise, brutal and entertaining. A gem of a story, written by an author in his right element.

Nominated for the 2022 Norwegian Booksellers' Prize

'A worthy and powerful reading experience (...) Dramatic, interesting and exciting (...) a fantastic picture of an environment and a time that not everyone knows today.'

Nettavisen, 6 out of 6 stars

'About ignorance (...) "The Unworthy" has to be one of Roy Jacobsen's best novels.'

Klassekampen

'Brutal war novel (...) Roy Jacobsen is, as always, a master of details, environment and working methods.'

Storm Sandberg is about to lose everything. But first, he's going to declare bankruptcy.

He convinces his wife that the big paddle hall came before its time – even though it's not the first time he's said the exact same thing about his business projects. But has she reached her limit? Can she keep putting up with all of his whims and financial problems?

He also has the worst parents in the world, including his mother, Gerd Bye – the famous theatre director. Once a month, she gathers her children, grandchildren, ex husbands, and their wives for utterly incomprehensible dinners where everyone talks and no one listens. With no money and no real prospects for the future, Storm stakes everything on one last bet to save his marriage, his finances, and his own honour: He decides he's going to set up the Greek tragedy *Medeia* as a musical – with a twinkle in his eye.

*Family Values* is a novel about the thin line between wealth and destruction, between community and loneliness. The result is furious, relentless, and incredibly entertaining.

*"Family Values" is a gentle satire written with energy and wit. Humor and gravity go hand in hand (...) What a hilarious book!*

VG

*'You mustn't let liars like Storm into your life, but you should absolutely read this book about him (...) The talented Jens M. Johansson writes entertainingly about a guy who is so desperate to prove that he matters, but doesn't quite manage it.'*

It's June and Anja and her boyfriend Pål are on their way to the smallholding in Sweden that Anja still co-owns with her ex-husband Ivar. It's going to be a weekend of hard work – the cladding needs to be cleaned and painted. Ivar and his partner Solveig are there too, as are all the children.

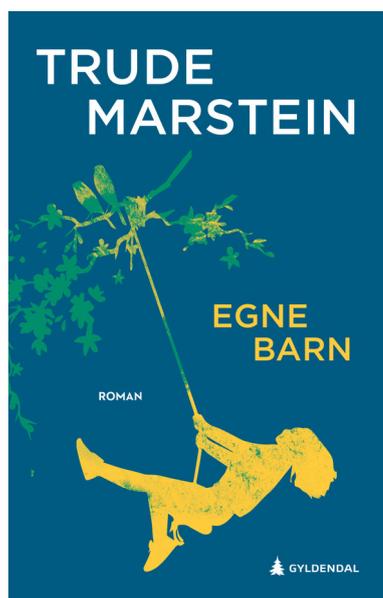

*When Lotte heard about joint weekend of work at the smallholding, she said:*

*'I don't get why you're coming too, I don't get why you and Dad are pretending to be friends.' We were eating dinner, her stabbing a meatball with her fork. She's fourteen.*

*'You hate each other's guts, can't you just carry on like that?'*

The accusation brought me to the brink of tears. I could barely speak.  
*'We do not,' I said, 'and we never have.'*

*One's Own Children* is about ambitions and disappointments, pretensions and revelations. About our search for belonging and meaning, for intoxication and transgression. About children and the power one has – and doesn't have – over them; about responsibility and a longing for freedom. And about the joy and love that arrives in flashes, almost at random.

'Marstein manages like few others to portray life in a family with children from previous marriages and let us in on the most private thoughts and relationships. She describes the constellation of the modern family with insight, empathy and intimacy. Her sharp, precise sentences give expression to everyday life, with its jumble of shattered dreams and ambitions, its many hopes and disappointments, our search for meaning and recognition, and not least the ambivalent feelings we can harbour for those closest to us, even our own children.'

# Trying and Failing

## Prøve og feile

ISBN: 9788205566170

'Are you trying to ruin your life?' Hannah's friends say when she tells them she's having children with Magne.

*Trial and Error* is a novel about an almost completely normal couple. Like all parents of young children, Magne and Hannah have their challenges, but with Magne in a wheelchair even a trip to the beach at Huk turns into a gruelling odyssey. In spite of his master's degree in literary science, Magne has a poorly paid job as a hotel receptionist. But with his visible disability, he is at least a welcome expression of the hotel chain's benevolence and its diversity policy.

Magne and Hannah had intended to show the world – show the world that they could make it, show the world that it was possible.

But a lot can go wrong, and there are many ways to mess it all up.

'With his novel "Trying and Failing", Jan Grue completes an exceptional trilogy about disability and vulnerability. (...) Masterfully, Grue exposes the illusion that we all, even in Norway, have something within our reach that even comes close to resembling an equal life. (...) Grue affectingly demonstrates how complicated challenges for the disabled can really be – and how deeply problematic it is to pigeonhole people.'

VG, 5 out of 6 stars

Jan Grue (b. 1981) holds a PhD in Linguistics and is Professor of Qualitative Research at the University of Oslo.

His work deals with embodiment - with what it means to be a body in an endlessly complex world.

Jan Grue is the author of a wide-ranging body of work in fiction, non-fiction, and children's literature. He made his debut with the short story collection *Everything Under Control* (2010), which was received with glowing reviews. He has since published a further four short story collections, the latest of which is *Vexations* (2019). His first novel, *The Best of All Possible Worlds*, came out in 2016. Among Grue's works for children is *Oliver* (2012), a fantastical story about living wheelchairs. His academic books include *Body Language*, on the subject of the representations of disability in a cultural and socio-analytical perspective, and *Theory in Practice*, a primer on critical analysis.

His book of autobiographical non-fiction, *I Live a Life Like Yours*, was published in 2018 to critical acclaim. The book went on to win the Literary Critics' Award and was nominated for the Nordic Council's Literature Prize – as the first Norwegian non-fiction book in 50 years.

*You Are My Story* is a nuanced novel about a couple's marital challenges. The female protagonist of this novel is in a relationship that has gradually come apart at the seams. Her husband is depressed; he has always been so, living a bit to one side of everyone else. He leaves, disappearing down the road leading away from the house where they had hoped to find happiness. Sometimes he seeks out other partners.

*You Are My Story* describes a year in their marriage and gives us glimpses of the couple's common history through condensed flashbacks. The perceptive, beautiful, and painful story is evoked through a strong and pronounced literary voice.

'Sensational (...) a self-assured and stylistically cogent novel in the genre of soft realism, written in a suitably down-to-earth literary voice.'
