18 years old Even is in his last year as a high school student. His ambitions are to qualify for the national championship in climbing and then the examination for military service. When he meets Iben, who is two years older, stunningly beautiful, and studies philosophy, he falls deeply in love. They spend a night together. But Iben is not easy to understand. In periods she keeps a distant and is hard to contact. When Even one day gets a call from a psychiatrist he is faced with a difficult choice. Iben is pregnant, unable to take care of herself and not a child. What will Even do? Can he be a father?

'... a strong and sympathetic novel...'

- Maya Troberg Djuve, Dagbladet 5/6 stars

'Taran L. Bjørnstad has written a sensationally trustworthy story about the 18-year-old who is suddenly to become a dad.'
