Anna Bergsenseng works as a midwife and she has never had a day off sick in her life. She is the assured, the experienced that younger colleagues look up to. One evening, Anna goes to work with a temperature. Outside the maternity ward, she meets somebody she once knew, and the memories set her reeling. *Love and Anna* is a story about hope and change. About a life that once was and about how life could have been. Is it ever too late to forgive oneself?

'A literary tour de force, so elegant and gripping, a sheer performance of dramaturgy and prose... a warm embrace of a novel, about making the small great.'

Adresseavisen

'*Love and Anna* is eloquent, sad, beautiful and original in its own right; about ordinary female life that contains so many secrets.'

Dagbladet

'*Love and Anna* as a female portrayal will prevail in years to come.'
