This book about Astrid Lindgren is an inspired illustrated biography that provides children with knowledge about the person, author, editor and dedicated contributor to the community that was Astrid Lindgren. Through stories, quotes, facts and magical illustrations, we become familiar with Astrid Lindgren – one of the world's greatest children's authors.

The book follows a classic chronological development from Astrid's happy childhood in Vimmerby to her old age in Stockholm. Within each of these epochs, the book explores important, exciting and humorous episodes in Astrid's life and work. We hear about her love of nature, her lifelong joy of playing and climbing trees, reading and writing, and fighting for children's and animal rights. But we also hear about her life's many dark moments – her life as a young and impoverished single mother, her longing for love, and – as she so often expressed it – the experience of “how difficult it can be to be human”.

This biography is a unique starting point for inspiring new generations to read Astrid Lindgren's books.

Illustrated by Lisa Aisato.

Winner of the award Sørlandets litteraturpris 2016 (non-fiction).

'... a rock-solid and beautifully illustrated biography for children. (...) The tightly written and inspired text and the fine art illustrations together capture the tone of Lindgren's life and universe and make the biography of the year a pure joy.'

Dagbladet

'... a precious pearl which should be appreciated far beyond the bounds of Norway.'

Ida Ida

Genre: Children And Young Adults
Category: Non-Fiction
Publisher: Cappelen Damm
Year: 2012
Pages: 72
ISBN: 9788202337797

47 million years ago there lived an ape-like little creature in a jungle in Germany. Today she is best known to the world as the fossil Ida. In this wonderful, illustrated picture book we learn how she lived and how we know what we do about her today. When paleontologist Jørn Hurum introduced Ida to the world's media in 2009, she became a scientific sensation. Ida is our very own 47 million year old ancestor, and this picture book written by Jørn Hurum and Torstein Helleve from the Natural History Museum and illustrated by Esther van Hulsen brings Ida to life once again. The reader is taken on a journey to the jungle that Ida lived in as part of a stunningly illustrated tale of her life, where we follow her through dangers and triumphs. In addition to a fictionalised picture book section based on what we know about Ida and the time that she lived, the book also includes a fact and activity section.

Illustrated by Esther van Hulsen.

'Researcher and Ida's "father" Jørn Hurum and web editor of the museum, Torstein Helleve, write passionately and vividly, but first and foremost it is the large spreads of illustrations by Esther van Hulsen which pull the reader into the pre-historic universe. Both Ida herself and all the animals, which are identified in a silhouette overview at the end of the book, are painted colorfully and beautifully by the Dutch illustrator.'

Universitas

Jørn Hurum is a palaeontologist and science communicator. He has collected fossils since childhood and written several factbooks.

Torstein Helleve works at the Natural History Museum in Oslo.

Illustrator Esther van Hulsen has previously created numerous illustrations for museums and zoos.

Southward. The Race To The South Pole

Sydover. Kappløpet mot Sydpolen

Genre: Children And Young Adults
Category: Picture Book (Vol. I in a series)
Publisher: Cappelen Damm
Year: 2008
Pages: 58

The race to the South Pole was a dramatic thriller in which the powers of nature tested the powers of men, dogs and technology. In Ousland's book, we follow Robert Scott and Roald Amundsen's parallel expeditions.

Through illustrations and text we gain insight into how these men thought and what they went through. The death of Scott and his expedition team is both gripping and touching. And Amundsen's triumph remains one of Norway's greatest moments.

Other titles in the series are:

Nordover - med Nansen mot Nordpolen, 2008 | *Nansen over Grønland, 2012* | *Amundsen gjennom Nordvestpassasjen, 2014*

Praise:

"Ousland has an remarkable knack for shedding light on well known stories whilst taking an animated and clear approach. The reader is presented with a mixture of drama - which these journeys are not short of - and facts (...) this is a thrilling book of the highest quality." - VG

"This book has a great number of positive qualities, but one of the greatest is the meticulously prepared body of text and images (...) He has found a form and a voice that cleverly transforms these books into texts for all ages, whilst allowing them to remain books designed specifically with children in mind."

Our Explosive Sun: A Visual Feast of our Source of Light and Life is a great introduction to the Sun for general readers as well as scientists who are not solar physicists. This book presents the basic properties of the Sun, describes how it has fascinated humans throughout history, and shows how it influences our current technologies.

Our Explosive Sun includes 143 color illustrations and photos of the Sun, several of which were made especially for the book and have never been published before. Additional material, available via Springer Extras, includes a large number of animations and video material. A PowerPoint presentation of the book is a useful resource for teachers.

The story of Mule Boy is based on the Norwegian fairy tale about "The Troll Who Had No Heart."

The king has sent six of his seven sons out into the world to find suitable princesses. The sons don't return and Mule Boy insists on finding out what has happened to his brothers. He discovers that the troll has turned his brothers and their brides into stone. He makes his way into the mountain to get hold of the troll and free the princess whom the troll has captured.

This is a charming twist on an old Norwegian fairy tale. There is a lot of humour and amusing dialogue in the book. It is dramatic and thrilling to accompany the Mule Boy into the mountain and the princess is both spunky and full of gumption. We know Mule Boy from previous books.

The illustrations are beautiful, humorous and imaginative in use of line and colour.

Winner of the Deutscher Jugendliteraturpreis 2018 for best picture book and the Norwegian Critics' Prize for Literature, Best Children's and YA Book 2015.

Ulla and Bendik Builds a City

Ulla & Bendik bygger by

Genre: Children and young adults
Category: Picture Book
Publisher: Gyldendal
Year: 2016
Pages: 40
English sample translation available

Bendik used to live in New York, a city that has everything! People used to break dance in the streets, there were zigzag-shaped fire escapes and there were parks, statues, bridges and Broadway shows – there was an amazing wealth of life and activity. But now Bendik has moved. To a drab suburb.

Ulla has lived here all her life. She finds it restricted and grey and flat and square. Even the playground is a square box. Where's the fun in that? She remembers how it used to be: There used to be birds in the trees and fish in the lake. Small places, big places, secret places. There were always things to do.

Ulla meets Bendik in the playground. None of them can fathom why this place is so dull. So they decide to do something about it. In Åshild Kanstad Johnsen's universe "minor beings" are given the power to accomplish great deeds. A small piece of wood creates its own museum, and in *Ulla and Bendik Build a Town* a couple of children are allowed to voice their thoughts on how an ideal town ought to be. And what a town it turns out to be!

'A gift for reading children ... Once again she displays her unique talent.'

A Fish for Luna

En fisk til Luna

Genre: Children And Young Adults
Category: Picture Book
Publisher: Gyldendal
Year: 2014
Pages: 40
ISBN: 9788205462687
Full English translation available.

Luna can't sleep. She opens her window and peeks out. There is something out there. Something is gliding slowly between the houses. Is it a balloon? A flying fish? Luna's parents say it is ugly and that she can't keep it, so Luna decides to help it back home. But it won't say where home is. All it says is "Ay", "Yue", "Kuu", "Maan", "Tsuki", "Karoo" and "Kamar". And it says "Luna".

With great bravery Lisa Aisato explores life's big issues and presents an original and fresh take on subjects as human as loneliness and hope. Always firmly anchored in a child perspective, with a child's intensity of sensation. In this case personified in the shape of a lonesome fish. *A Fish for Luna* is a unique and beautiful picture book tale.

Shortlisted for the Brage Prize 2014, the Ministry of Culture's Literature Prize 2014 (Best Children's and Young Adults Book) and the Book Blogger's Prize 2014.

A mum reflects upon everyday life and parenthood. Is she good enough? Is there anything else she could do for her daughter? Isn't it incomprehensible that she gets to be the mother of the most beautiful girl in the world? We follow their time together through stressful mornings, kindergarden afternoons, nights where they end up in the same bed, playtime and home time — through worries and joy. But the greatest thing between them is the never ending love and the mutual happiness of being together. This is a picturebook and a gift book for both mothers and fathers.

The Voyage

Reisen

Genre: Children And Young Adults
Category: Picture Book (Vol. I in a series)
Publisher: Magikon
Year: 2012
Pages: 40

In this delightful picture book, a small duck finds itself in a place full of unusual creatures who speak an unfamiliar language. Eventually, it meets an animal whose big feet are a bit like its own. And with a friend by its side, the small duck soon can feel at home.

First published in 2012, this deceptively simple book about adapting to new situations will appeal to children who are just starting school or daycare, children who are about to move to a new home, or children who are learning a new language. The illustrations are gently humorous, while the simple text affirms the importance of knowing who you are and being open to change. Without making unrealistic promises, this story reassures children that, with time, they can adapt to any new environment and make new friends to explore it with. And if, as happens to the little duck in this story, those new friends have to leave, the child, like the little duck, will be able to greet the next wave of newcomers with compassion and generosity.

Illustrated by Camilla Engman.

'Perhaps there is no better way to evoke the universal than by enlisting the help of small forest animals, which the illustrator Camilla Engman does to delightful effect in *The Voyage*.'

The New York Times Book Review

Hungry Sulten

Genre: Children And Young Adults
Category: Picture Book (Vol. II in a series)
Publisher: Magikon
Year: 2015
Pages: 40

Hungry is a sequel to *The Voyage*, which received great reviews, and has been translated to several languages. In *The Voyage* a small duck finds itself in a place full of unusual creatures who speak an unfamiliar language. Eventually, it meets an animal whose big feet are a bit like its own. And with a friend by its side, the small duck soon can feel at home.

In *Hungry* we meet the same protagonist, a duck living a quiet life in the woods. After playing with her friends, she takes a break to enjoy a delicious lunch. But suddenly a group of hungry ants intervene in her lunch break. They want her to share some of her very tasty and precious food. As an animal fable this story might have a wide interpretation. The theme is about sharing, but it is up to the reader whether it is about sharing candies or the world's resources.
