CHILDREN AND YOUNG ADULTS
GRAPHIC NOVEL SERIES

Arkin - Guardian of the Light. Book 1: The Secret / Book 2 - The Hope

Arkin - Lysets vokter. Bok 1: Hemmeligheten / Bok 2: Håpet

Egmont Kids Media 2021 / 2022

235 / 215 Pages

ISBN: 9788242969644 / 9788242970947

A beautiful portal fantasy series where dreams come true, where loneliness and longing save lives, and where the smallest person casts the biggest shadow!
A stunningly illustrated epic for children and adults ages 9 and up.

Arkin is a lonely and anxious boy who has always felt different from everyone else. But Arkin is also smart, and strangely talented in drawing. It's been eight months since he lost his mother, and the void she left behind is about to devour him completely.

Everything changes the day a mysterious elderly caretaker at the school leaves an even more mysterious riddle to him. As he solves the riddle, a magical world unravels before him ...

This book series is captivating, beautiful, touching, warm and peculiar; filled to the brim with all the ingredients that a proper epic should possess!

Book 1: *Arkin, The Guardian of the Light - The Secret* is the first book of four in the series about Arkin.

Book 2 in the series, *The Hope*, picks up where we left off. When Arkin pets Melion Layt, he's quite literally «shocked»; the panther doesn't seem to be any ordinary creature. He tells Arkin he is a so-called «elemental» – a being made of pure energy. Arkin gets on his back, and they start flying towards Hevådriel.

CHILDREN AND YOUNG ADULTS
NOVEL

A book about big courage, unique friendships, and having an extra chromosome.

Edgar isn't like everyone else. But if everyone was the same, people would die of boredom and go extinct. Edgar's convinced of that. So he would much rather have Downs.

But he doesn't like throwing stones at windows. Or making Mad Larry go berserk.

Imagine if it was possible to turn everything on its head? To do something that nobody else has ever done before?

Tinashe Williamson

Handbook for Young Antiracists

Håndbok for unge antirasister

Genre: Children and Young Adults
Category: Non-Fiction
Publisher: Cappelen Damm
Year: 2021
Pages: 72
ISBN: 9788202702076
English sample translation available

Handbook for Young Antiracists by Tinashe Williamson spotlights the important topic of racism. Through ten chapters and ten fictional characters Williamson answers questions about what racism really is, why representation is important and what you can do if someone is discriminated against because of the colour of their skin.

Racism is a complicated topic for grown-ups to navigate, and many find it hard to talk to their children about it. For what can you say? Where do you begin?

This engaging, including and thorough book is written in the form of a diary, with tasks and conversations that the children can easily bring up at home or with their friends or classmates. The goal is to pass on the knowledge to the generation that is growing up now, to give them the feeling that they have the power to change the world. Together we are stronger, and by just acknowledging the problem we can do something about it.

This is the perfect book on the topic for children 9 years and up, and it works just as well at home as in a teaching situation.

Illustrated by Thea Jacobsen.

'Tinashe Williamson has written a book that is easy to understand and utterly engaging. The book obviously has great potential to start important conversations between people from different generations.'
